5 Lessons in Life from Dr. Seuss

1. Today you are You, that is truer than true. There is no one alive who is Youer than You.
2. Why fit in when you were born to stand out?
3. You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose.
4. Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind.
5. Today I shall behave, as if this is the day I will be remembered.
